Local Area

2 Bedroom Edinburgh Holiday Apartment located just a couple of hundred yards from [Edinburgh Castle](#)

As you wander up [The Royal Mile](#) towards the world famous [Edinburgh Castle](#) the cobbles street begins to narrow as you reach The Lawnmarket.. this is where you will find our fantastic refurbished 2 bedroom Edinburgh Holiday Apartment. There are many small shops and whisky bars surrounding the Lawnmarket and it really is an extremely busy and vibrant part of the city! Luckily our apartment is quietly located on the 2nd floor with rooms facing out onto a **very quiet courtyard**.

The Apartment

This 2 bedroom Holiday Apartment located by [Edinburgh Castle](#) has been refurbished to give a brand new open plan lounge / dining / kitchen area.. Brand new solid oak flooring and beautiful bathroom.

The apartment has a nice open "airy feel" with windows overlooking a courtyard to the rear.

Free Wifi

Smart Tv

Touch Screen heating system

The apartment is on the 2nd floor although I would say that the steps are very easy to ascend and would not cause a problem for elderly or anyone with mobility issues. The bonus is that everything is literally on your door step!

Kitchen

The brand new kitchen has been designed to be a focal point of the modern lounge and has everything you will need to make your stay a comfortable one.. although you have some of the [Best Bars and Restaurants](#) on your doorstep.. if you so choose to cook, everything you will need is provided for you to use.

Bedrooms

This apartment has 2 bedrooms and can sleep at a push up to 7 people.. rooms are both quietly situated to the rear of the property.. although you are in one of the most central location possible in Edinburgh.. a sound nights sleep is really not a problem!

Bedroom 1 (Family room): 1 x Kingsize Bed + 2 x single beds in Bunk Bed form.

Bedroom 2: 2 x Single Beds + Double Sofa-bed

Bathroom

The bathroom of this apartment has been fitted to maximise space.. The large shower is the main feature with a modern toilet and sink. The stone tiles on the floor and stone boarding give this bathroom a real feel of luxury.
