Local Area

[Thistle Street](#) lies in the heart of Edinburgh's [New Town](#) just minutes from the main shopping streets of Princes Street and George Street and within easy walking distance of all the main visitor attractions of the city.

[Thistle Street](#) itself is a vibrant cosmopolitan street offering a selection of small boutique shops and a great range of restaurants offering French, Italian, Thai, Seafood and Vegetarian options all within easy walking distance of the apartment. Most of the restaurants are quite small so it is always advisable to book even during the week and especially during peak Festival time.

Close by on George Street though are a large range of bigger restaurants and bars where you can often get in without booking other than at peak times.

Lounge

This Self catering Edinburgh Rental Apartment has a large sitting room with attractive open views from the window seat and a feature period fireplace.

A daybed provides comfortable seating during the day but converts into a single or double bed to provide sleeping for a further two people. The sitting room has TV, DVD and CD equipment - The apartment has Free Wifi.

Bedroom

The double bedroom is well proportioned and has a large walk-in wardrobe running the whole length of one wall. A cot is available and can be positioned in the bedroom for those travelling with a baby.

Bathroom

The bathroom to the apartment has a simple white suite, full length bath, towel rail and over-bath shower.

Kitchen / Dining

The kitchen /diner is a wonderfully sunny south facing room lit by a large dormer window behind the dining table which comfortably accommodates 4-6 people.

The kitchen is equipped to a high standard with gas hob, electric oven, microwave, fridge freezer, washer/dryer.

Arriving

The apartment is located just off Hanover Street and is next to the [Thistle Street](#) Bar (although this is not a noise issue). It is approximately 15 minutes walk from Waverley Station, Edinburgh's main railway station and Hanover Street is well served by buses.

If arriving by car [Thistle Street](#) is one way with vehicular access currently from the Hanover Street end. There is some metered parking within Thistle Street and the surrounding streets, and overnight parking spaces are usually available in the vicinity. The whole of the central zone in Edinburgh is a controlled parking area and it will be more economic to park your car outside the central zone once you have unloaded. The owners can advise on what are the closest parking alternatives.

There is no lift within the building and there are about 50 steps up to the apartment. However the stair is not steep.

Tariff

The apartment is available for short breaks (minimum 2 nights) at all times during the year except during the Edinburgh Festivals in the month of August when the minimal rental is one week.

Because the flat is in a residential property we do not allow letting in association with stag or hen parties.

The rental is for the whole apartment but where it is to be occupied for more than 2 guests (up to a maximum of 4) a small charge may apply.
